Sea-Eagle Movers & Logistics

1. INTRODUCTION

Sea-Eagle Movers & Logistics, based in Islamabad and having its branches on all the major cities of Pakistan, we have been serving the packers, movers & logistics industry proudly since 2007. We are one of the most well known names in the Packers and Movers market today. At Sea-Eagle Movers & Logistics we handle all your belongings as if they were our own, we go above and beyond to meet each individual customers needs, and with each new customer we continue implement new ways to improve our quality of work. We want you to know that, as our customer, you are always right. All the elements of our transportation and relocation services rendered are discussed in detail with our clients during our preliminary meeting, ensuring a trouble free relocation. We view your business as an investment in our company, not just a payment for moving furniture. So, as your return you will receive ever it is you need from us, to make you move smooth.

If your desires are at all possible, we will perform them to the utmost of our abilities. Most of all we guarantee our services to the fullest if it is determined that we have not met the requirements, to give you outstanding customer service attention or best of quality work possible. We will give you our services at no cost! As a 24/7 family owned and operated community-based business.

1.1 SEML Operations:

We have very large team of employees including supervisor professional packers loading expert's drivers, and other support people. We are proud to introduce ourselves as one of the reputed firms in the packing and moving of household and commercial goods. Based in Islamabad in Pakistan since its origin, Sea-Eagle Movers & Logistics have continued to be a leader in the household and commercial goods moving industry. We offer a highly personalized service, which several firms find difficult to compete with. We understand that your possessions are your as sets.

We have a team of highly trained professionals, who take special measures to assure the safety of the goods and ensure proper execution of the services and conveniences of the customers.

1.2 Our Mission

Sea-Eagle Movers & Logistics is dedicated to successfully providing premier logistics services by utilizing the best people, best methods, and best technology. We shall accomplish these high standards of quality performance through the active participation of the organization's most important resource, our employee team members and partner-suppliers.

We have the most modern fleet in our industry. Our advanced tractor and trailer technology enables us to maximize our loads and provide ease of loading to meet our customer requirements and protect our drivers and the public.

2. Freight-Forwarding Service Air/Sea

Our priority is to get the best rates and shortest transit time for your shipments. Alongside, there are ever vigilant professional services for all your transportation requirements. Most of all we guarantee our services to the fullest if it is determined that we have not met the requirements, to give you outstanding customer service attention or best of quality work possible.

Your time-sensitive shipments are in the hands of our experienced and professional staff. We take special care in meeting the urgency of each air shipment with precision, control and competitive pricing.
